Raiders Down Holy Cross 91-78

The Appomattox Raiders won their ninth game in a row last Tuesday night by beating Holy Cross 91-78 in a non-conference basketball game played at Appomattox. The victory gave the Raiders a 10-1 overall mark for the season and left them at 5-1 in the conference.

The game started out fast with both teams running. The Raiders took a four point lead, 27-23 after the first quarter. The Raiders had balanced scoring as Ronnie McCoy had nine points, Ricky Carret had seven, Welton Gafford had six, Mike Coles was the big man for Holy Cross in that quarter with 10 points. In the second quarter Coles was again ahead of the attack as he hit for 13 more and Holy Cross moved to a 46-45 halftime lead, David Johnson kept the Raiders in the game with eight points in that quarter.

The big difference came in the third quarter as the Raiders went to the fast break and outscored the Gaels 26-12 for a 71-58 lead after three quarters. Gafford dropped in 11 points in that quarter while Warren Baker scored 10 of the Holy Cross points. In the fourth quarter, Johnson led the Raiders with nine points as they kept even pace with Holy Cross at 20 points each for that quarter. Baker had 10 points in that quarter to no avail.

Richard Baker took game scoring honors with 28 points for Holy Cross and teammate Mike Coles had 26 as they combined for 54 of the Holy Cross 78 points.

The Raiders put four men in double figures as Welton Gafford led the way with 24 points. He was followed closely by David Johnson with 20 and Leon Robinson with 18 and Ricky Garrett was next with 13 and Ronnie McCoy with nine.

The Raiders held a slight edge in rebounds as Leon Robinson had 14 of the Raiders 40 rebounds to 36 for Holy Cross. Both teams had over 20 turnovers as walking violations played a big part in the game but Appomattox hit over 50% of their shots to about 43% for the visitors.

Raiders Rip Red Devils 81-50

Appomattox put five men in double figures last Friday night as the Raiders whipped the Rustburg Red Devils 81-50 in a Seminole District contest basketball game played at Appomattox. It was the 10th win in a row for the Raiders and made them 11-1 overall and 6-1 in the district, Rustburg is now 0-8 in the district and 0-10 overall.

Rustburg, playing a slow down type of ball, found themselves behind from the start as the Raiders got off to a 8-0 lead. Rustburg got their first basket with about two and a half minutes left in the quarter. When the quarter ended the Raiders had a 17-7 lead and in the second quarter Appomattox kept in control as Welton Gafford and David Johnson combined with for 15 points, eight and seven respectively, of the Appomattox 20 points as they had a 37-20 half time lead.

The Raiders continued to win in the third quarter as they outscored Rustburg 22-15 for a 59-35 lead. Reserved players played most of the fourth quarter and the Appomattox outscored Rustburg again in the fourth, 22-15 to rap it up.

The Raiders were led by Welton Gafford with 24 points. The other men to hit double figures were David Johnson with 13, Ronnie McCoy with 11 and Leon Robinson and Bruce Norcom with 10 each.

Kirby Hood took scoring honors for Rustburg with 24 points, which also tied Gafford of Appomattox with game honors. Haskins was the only other man in double figures for Rustburg with 15.

The Raiders shot over 60% from the floor as they got layups along with the outside shooting of Gafford in the second, third and fourth quarter to keep the good percentage up. Rustburg hit about 33%. The rebounds and turnovers were about the same for both sides.

Ferguson Leads Raiderettes To 28-20 Win

Pat Ferguson sparked a second - half come back for the Appomattox Raiderettes with 11 points to give them a 28-20 win over the Rustburg girls in a district basketball game played at Appomattox last Friday night. The win now gives the Raiderettes a 7-0 district mark and 8-1 overall.

Rustburg led 4-2 after the end of the first quarter and 10-6 at the half. Both teams were very cold from the floor in that half.

In the third quarter, the Raiderettes started to jell, Lucy Martin tied the game at 10-10 with 4:26 left in the quarter and then Ferguson hit from the outside to give them the lead. The Appomattox defense was great in that quarter as Rustburg got only two points, and they were foul shots made at the end of the quarter. The score was 17-12 at the end of three quarters with the Raiderettes leading. Appomattox then outscored the visitors 11-8 in the last quarter for the win.

Ferguson ended the game with 13 points and Carolyn McCoy had nine to lead Rustburg.

"The South 40" by JAMES A. SMITH EXTENSION AGENT

Many farmers this time of year will "pencil out" expected needs for the coming year. You may have just a rough estimate, but it will be the framework of the end, most farmers agree that it's difficult.

In Somali, an east African country about the size of California and Oregon, there are no banks on the camel standard. Those are areas where cattle are used to pay for much of the cost of every day living. Camel currency provides transportation for the family, but as a moving van, as well as milk, meat, hides, hair and all.

Camels may be used in settling feuds.

Even when a suitor is selecting a bride, camels will be presented to the bride's parents in declaration of serious intentions and to seal the new happy relationship.

The reported price for family needs is 100 camels to complete for a man's life, and more for a woman's. The number of camels to influence the parents of a bride is negotiable. Since we live in a dollar area camels don't fit our culture, we'll need to make our budget in terms of dollars.

Have you made an estimate yet?

Researchers in HEW have come up with an instrument that can be made for about $15 that will record the X-ray emission from your TV, if the emission are too high, your technician can adjust the picture tube voltage. Remember, it's the technical job - it can be quite dangerous for someone else.

According to a year-end report, each farm worker in 1969 supplied food and fiber for 46 persons. As recent as 1950, the figure was 15.

And last year the consumer spent about 16% of his disposable income for food. In 1950 he spent 23% of his income for food.

And in 1970 there was a wider spread between prices farmers received and parity index than any time since 1910.

Farmers are efficient -- they have to be; last year farm output was 41 percent above 1950. This has been done with fewer people -- last year, just over 4 million worked on the farm compared with 10 million in 1950. We're losing our farmland rapidly in the face of a growing population. In Virginia this year we have an estimated 71,000 farms covering 11,400 thousand acres. As recently as 1964 there were 88,000 farms with 15,500 thousand acres. In six years, we've lost 1.1 million acres of farm land. Unfortunately we usually lose the best. Is lost to highways, parking lots, shopping centers, housing developments and other non-farm uses.

* * *

World tobacco harvest of 10 billion pounds during 1970 was second only to the record produced in 1967.

But there's a concern -- world consumption continues to be lower than production; thus, a continued build-up of stocks that are already large.

MR. GREER'S 4-H

Mr. Greer's 4-H Club met on Wed., Jan. 13, 1971.

President Cindy Smith called the meeting to order. We then had the pledges to the flags with Kathy Marshall leading the pledge to the American Flag and Millicent Martin the 4-H Flag. Nancy Hoke then led us in a short devotion, Song Leaders, Ann Sears and Wayland Ferguson led us in some songs. Secretary, Beverly Harvey read the minutes and they were approved.

The meeting was then turned over to Mr. Ford who told us about the "4-H T.V, Photo Fun" project which some of us took. Mr. James then told us about "Share the Fun" which will be held next month. The next order of business was to pass out project books.

We all enjoyed refreshments while we talked about our projects.

The meeting was then adjourned,

Kathy Marshall, Reporter
